

MAKE SEED BOMBS

You will need:

1 c Flower seeds

5 c Peat-free compost

2-3 c Powdered clay or Clay soil

Water

Mixing bowl

1. Mix together seeds, compost, and clay powder
2. Slowly mix in water until everything sticks together
3. Roll mixture into firm balls
4. Store in dark, cool, and dry place to allow bombs to dry
5. Plant by throwing seed bombs into your garden!

*Makes roughly 37 seed bombs
