- Oversee and schedule grounds herbicide and fertilizer applications, as needed
- Coordinate with the Buildings and Grounds Technician on equipment maintenance and needs
- Work with the Garden and Arboretum Manager to implement weed control measures in garden spaces concentrating on sustainable practices
- Assist the horticulture staff in mulching, pruning, leaf removal, plantings, and other seasonal tasks
- Other duties as assigned by the Garden and Arboretum Manager

Qualifications/Requirements:

- At least three years of experience in turf grass and/or grounds management, or other related fields
- Ability to operate and maintain a variety of power equipment such as zero turn mowers, string trimmers, power seeders, backpack blowers, tractors, etc.
- Ability to be on foot for long periods of time and lift up to 50 pounds
- Efficient and productive work style to allow maximum efficient use of limited resources
- Openness to and enthusiasm for learning new techniques, products and approaches
- Ability to work well with other Yew Dell staff, board, committee members and volunteers
- Ability to effectively lead volunteers, interns and seasonal gardeners
- Must have or be able to obtain a Kentucky pesticide applicator license
- Must be willing to work non-standard hours as needed
- Must have transportation to attend meetings and various functions as required
