

YEW DELL BOTANICAL GARDENS

Youth Volunteers

As of the 2022 volunteering season, we are requesting that the following procedures be followed for all youth volunteers:

- **Ages 7-13** must be accompanied by a guardian at all times.
 - This guardian is encouraged to volunteer alongside them, but can simply supervise if preferred.
 - For group volunteering, the ratio must be at least 1 adult guardian to 5 children.
- **Ages 14-17** must have a guardian on the property.
 - This guardian is encouraged to volunteer alongside them, but can visit the property or wait in the car if preferred.
 - Guardian must meet with and provide contact/waiting location information to staff upon drop off if not accompanying the youth.

Thank you for your interest in encouraging volunteering and a love of horticulture in our next generation! If any of you have any questions about this, please [reach out to our](#)
